

PROGRAMME (Preliminary)

13:30h – 15:00h, Plenary

AET activities, Implementation plan III

General Overview and yearly report about AET activities

Prof. Peter Pickel, Chairman

Coordinative and Support Activities – BE-COTEPS, Star-Colibri

Jens Fehrmann, AET Secretary

ERA-Net ICT-AGRI, current activities

tbc, ERA-Net coordinator, Denmark

IP III – Sustainable Plant Production

Prof. Peter Pickel, Expert Group I

IP III – Sustainable Animal Production

Prof. Aad Jongebreur, Expert Group II

IP III – Bioenergy / Renewable Materials

Heinrich Prankl / Manfred Wörgetter, Expert Group III

15:00h – 15:20h

Coffee break

15:20h – 16:00h, Plenary

Discussion about possibly necessary modifications of IP III, Prioritisation of R&D topics, all

16:00h – 16:15h, Plenary

Miscellaneous, current AET structure (chairman, secretary), all

16:15h – 16:30h, Plenary

Close of afternoon session

INFORMATION

Conference Language

The official language of the workshop will be English. Simultaneous translation will be not available.

Room Reservation

A hotel list is attached to the invitation or can be requested under the e-mail fehrmann@ast.mw.tu-dresden.de. For further hotel reservation of different price categories please see the website www.hrs.com

INFO-DAY

(Preliminary Programme)

4th Workshop of the AET- community

09th June 2010
10:30h – 16:30h

Location:

Representation of the State of Baden-Württemberg to the EU
Rue Belliard 60-62
B-1040 Brussels
Belgium

OBJECTIVE

For many reasons, the AET community has to make clear that agricultural technology is production technology. Manufacturing takes place on the fields, in greenhouses or in livestock units. The challenge is to explain that agricultural manufacturing has to take place in a highly automated industrial-like way and that this is the pre-condition for highest efficiency and sustainability of agricultural production contributing to the development social base conditions in rural areas and thus giving a highly beneficial impact for the European society in total. This is a fundamental change of paradigms which we have to mediate outside our agricultural engineering community.

The **morning session** includes presentations of general interests for the AET community from European Commission and EFFRA. New political developments will be introduced.

The **afternoon session** is dedicated to contents, topics and discussions to our Implementation Plan III. Constructive contributions will be highly appreciated.

The **Closing Session** will be devoted to further Question and Answers and to the final remarks from AET chairman.

REGISTRATION

Participation on the AET workshop is subject to **registration**. Due to the limited capacity of the Plenary Hall, registrations will be accepted on a "first come-first served" basis. However, in case of over-subscription, limitation to the number of representatives for each institution may be requested.

Please register **before the 20th May 2010** by sending the registration form duly completed by email to

fehrmann@ast.mw.tu-dresden.de

The registration form is available on MANUFUTURE web page in the following link:

http://www.manufuture.org/collective_initiatives.html - AET

For any additional information please send an email to fehrmann@ast.mw.tu-dresden.de

TARGET GROUP

The **Information Day and Brokerage Event** is dedicated to all parties; researchers, research institutions, companies, Industry, SMEs and National Contact Points interested in the activities of the **AGRICULTURAL ENGINEERING and TECHNOLOGIES** working group and research activities in this area.

PROGRAMME (Preliminary)

10:30h – 12:30h, Plenary

The agricultural engineering sector in the European Research Area

Opening

Prof. Peter Pickel, AET Working Group, Chairman

The role of AET in future NMP calls
Oscar Barreiro-Mouriz, European Commission, DG Research, NMP

AET and the concept of the Knowledge Based Bioeconomy
tbc, European Commission, DG Research, KBBE

Introduction of the Strategic Energy Technology Plan (SET-Plan)
Mr Zeitoun, European Commission, DG ENER

EFFRA-MANUFUTURE's Path to future PPPs
Frank Knecht, EFFRA-Executive Director

12:30h – 12:40h, Plenary

Close of morning session

12:40h – 13:30h

Lunch Break
